SPECIAL NOTICE

January 2019 tax change

As a result of recent tax rate amendments, you may notice a change in the amount of withholding tax on your January 2019 payment.

If you have questions regarding the new tax amounts, please contact the Canada Revenue Agency (CRA) general inquiry line at 1 800 959 8281.

The CRA can also provide you with information on how to obtain the applicable federal and provincial TD1 forms (Personal Tax Credits Return). Credits impact the amount of your tax deductions. It is not necessary to re-file the TD1 forms every year. However, if you would like to update your federal and provincial credit amounts, please complete the applicable forms and forward them to us at:
